REVEAL THE UNDISCOVERED YOU

ARE YOU READY TO GET NAKED?

TOM FROEHLICH · SPEAKER · AUTHOR · COACH

If you are looking for a speaker who doesn't just put on a performance, but genuinely shares who he is and where he has been with the audience, you've found him. Somewhat unfiltered, Tom tells the audience, as his Grandpa Herb used to say, "Where the bear crapped in the buckwheat." No, we're not sure either. Don't ask

Tom has been described as, "A breath of fresh air in a world where we can have difficulty catching our breath in the midst of self-doubt." He not only connects with audiences, but energizes and inspires them to take control of their lives and become visionaries of their own future.

Through personal anecdotes, philosophical insights and acerbic wit, Tom inspires audiences to explore a shift in

Endings last as long as we choose. Beginnings begin as soon as we are willing to start.

perspective and guides them to break the pattern of doubt so they can turn their "someday dreams" into today's reality.

**Find it and never stop
Never, ever!**

More than just an inspirational speaker, Tom leads audiences to take ownership of their own quest to reveal their true selves.

Growing up in the liberal 60's in a conservative midwestern town was a challenge in and of itself. Tom's struggle between trying to be the person he was "supposed to be" and the person he was "meant to be" led him down a path of fear, isolation, and alcoholism. Through hard work, introspection and self-acceptance, he defined his own life path. Tom draws from his own colorful and deeply personal life experiences to help others realize their potential and achieve their dreams.

Tom doesn't claim to have the answers to all of life's questions, but one thing he does know for sure—endings last as long as we choose and beginnings begin as soon as we are willing to start. Tom's ready to start. How about you?

Tom speaks regularly on self awareness, unrealized potential and achieving your goals.
